

## **SPECIAL USE GRANT**

### **USTA Sectional / National Advancement**

Congratulations on your team's win at Fort Worth's recent league playoffs! You should be so proud of your team's success! It is a great accomplishment to be considered the top team at your level in the Greater Fort Worth area.

NETT understands that our leagues provide USTA teams the opportunity to develop their teams, build partnerships and work on their overall tennis skills. Accordingly, NETT offers USTA eligible teams a grant (\$250 Sectional / \$500 National Advancement) to help offset event related expenses, including team meals, hotel and transportation expenses. To be eligible for this grant, your team must be comprised of at least 50% NETT members, participating in NETT leagues during this calendar year. Payment will be made after expenses have been incurred and documentation is submitted.
